**COW CUPS**

**YOU WILL NEED...**
- A Styrofoam cup
- Pencil & Scissors
- Sticky tape
- Two googly eyes
- Paint & brushes
- Pink & green pipe cleaners

**HOW TO DO IT...**

Step 1. Turn the cup upside down.
Step 2. Paint a pink cow nose and some black cow markings around the cup and leave to dry.
Step 3. While the paint dries, cut out two lengths of green pipe cleaner for the grass and two lengths of the pink pipe cleaner for the ears.
Step 4. Poke the two green pipe cleaners through the mouth and then poke the two pink pipe cleaners through the base of the cup (the top of the cow’s head). Stick the pointy ends down with sticky tape.
Step 5. Stick on the two googly eyes and you’re done!

**WHY NOT...**

Try using different colour paints or materials to create different breeds of cow.

**MILK BOTTLE GHOSTS**

**YOU WILL NEED...**
- Plastic milk bottles (2 & 4 pint bottles work best!)
- Black permanent marker pen
- Sand or small pebbles
- Glow sticks

**HOW TO DO IT...**

Step 1. Wash out the milk bottles.
Step 2. Draw some ghoulish faces on the bottle using a black permanent marker pen.
Step 3. Pour some sand or small pebbles into the milk bottle to weigh it down.
Step 4. Drop in a glow stick and turn off the lights!
